

Finance Sector Staff Café Video Wall Installation

Location:

Darling Harbour, Sydney, NSW

Brief:

Supply and install a full colour LED screen in a new office complex that is capable of displaying menus as well as video and live TV.

Solution:

- RGB, indoor, 6mm pitch LED screen
- Video screen controller and rear service access.

LED-Signs worked with All AV, who provided the Techmedia Scala control system to manage the screen's content.

The screen displays menu selections, environmental messages and is also capable of displaying full colour video and live TV.
